

Project Portfolio

Through its 70 years of dedication to the energy and mining industries, The Bayou Companies, LLC has safely and successfully completed numerous projects. From standard projects to large and challenging ones, Bayou has a range of experience and expertise to assist you on your next project. We have put together a partial list of completed projects that allow you to see the many opportunities waiting for you at Bayou.

Amoco Marlin	240,000 feet of 10-inch and 12-inch OD fusion bond epoxy, buckle arrestor insertion, anode and anode taper installation
ANR / Coastal Typhoon	94,200 feet of 12-inch and 182,920 feet of 20-inch OD fusion bond epoxy, concrete weight coating, miscellaneous fabrication transitions, flex head assemblies, beveling and ID boring, TSA coating, anode installation
BP Pompano	50,000 feet of 8-5/8-inch .500 wall OD fusion bond epoxy coating reeled pipeline project
BP Troika	316,120 feet of 10-inch and 24-inch OD fusion bond epoxy coating and Sigma Armorcote
British Borneo Allegheny	152,000 feet of 12-inch, 16-inch and 20-inch OD fusion bond epoxy coating
British Borneo Morpeth	198,000 feet of 8-inch and 12-inch OD fusion bond epoxy, triple joint welding, buckle arrestor insertion, anode installation
CenterPoint Energy	660,000 feet fusion bond epoxy
Cheniere Energy	1,258,100 feet fusion bond epoxy, ID coating, concrete weight coating
ChevronTexaco Gemini	293,000 feet of 12-inch OD fusion bond epoxy coating, buckle arrestor Insertion, anode and anode taper installation
ChevronTexaco Genesis	161,500 feet of 14-inch OD fusion bond epoxy coating, 49 integral ring buckle arrestor insertions, 71 sleeve buckle arrestor insertions
ChevronTexaco Malongo PL	67,100 feet of 24-inch OD fusion bond epoxy, concrete weight coating
ChevronTexaco Venice Gathering Expansion	279,000 feet of 24-inch OD fusion bond epoxy
CIG	502,000 feet of 30-inch OD fusion bond epoxy, double joint fabrication
Conoco Joliet	65,000 feet of 8-inch and 12-inch OD fusion bond epoxy coating
Cross Country	227,200 feet of fusion bond epoxy coating
Cross Country	1,533,600 feet of fusion bond epoxy coating
Crosstex Energy	327,460 feet fusion bond epoxy and ARO coating
Denbury	258,425 ft. Concrete Weight Coating

Dow Pipeline Project	150,000 ft. of 8" and 26" OD Fusion Bond Epoxy, Multiple Joint Fabrication, Concrete Weight Coating
Duke Energy Dauphine Island	14,000 ft. of 8" and 200,880 ft. of 12" OD Fusion Bond Epoxy Coating
Duke Energy	118,000 ft. of 24" and 144,720 ft. of 30" OD Fusion Bond Epoxy and Concrete Weight Coating
El Paso Cameron Highway	140 Miles of 24" and 240 Miles of 30" OD Fusion Bond Epoxy and Concrete Weight Coating
Energy Transfet	990,886 ft of Fusion Bond Epoxy, ID Flowliner and Double Joint Fabrication
Enron	178,000 ft of Fusion Bond Epoxy, ID Flowliner and Double Joint Fabrication
Enron Columbia	OD Fusion Bonded Epoxy First major international project where Bayou Coating, LLC was involved in transporting coated pipe to a foreign destination. This required special handling
Enron Florida Gas	221,000 ft. of 30" and 36" OD Fusion Bonded Epoxy and Multiple Joint Fabrication
Enron Florida Gas Ph IV	146,600 ft. of 36" OD Fusion Bonded Epoxy and Multiple Joint Fabrication
Enron Florida Gas Ph V	221,000 ft. of 30" & 36" OD Fusion Bonded Epoxy and Multiple Joint Fabrication
Enron Northern Border	178,000 ft. of 30" OD Fusion Bonded Epoxy, ID Flowliner and Blast and Multiple Joint Fabrication
Enserch Cooper	640,000 ft. of 12" OD Fusion Bond Epoxy Coating First time non slip or rough coat was applied to provide a rough surface for the tensioners to grip.
Enterprise	903,800 ft. of 24" OD Fusion Bond Epoxy and Multiple Joint Fabrication
Enterprise	2,458,800 ft of Fusion Bond Epoxy and Concrete Weight Coatng
Enterprise	767,200 ft Fusion Bond Epoxy and Buckle Arrestor Insertion
Enterprise Lou-Tex	500,000 ft. of 12" OD Fusion Bond Epoxy Coating
Enterprise Products	211,000 ft. of 12" OD Fusion Bonded Epoxy and Concrete Weight Coating
Exxon / Southern Nat. Gas Alabaster	375,000' of 20" pipe OD Fusion Bonded Epoxy
Exxon Diana	1,694,000 ft. of 6", 10", 18" and 20" OD Fusion Bond Epoxy Coating, ID Flowliner & Blast, Quad Joint Fabrication (1100 - 6" & 10"), Buckle Arrestor Insertion, Anode & Anode Taper Installation and SCR Fabrication First simultaneous co-development of multiple deepwater fields. In water nearly a mile deep! This project was flawlessly executed with a seven times better than industry average safety record, more than \$100 million under budget, and ahead of schedule. The Hoover-Diana is the world's deepest surface-piercing oil and gas production platform with associated subsea tieback system The project had a record pipelay at a speed of over 4 miles per day.
Exxon Heritage	38,500 ft. of 12" OD Fusion Bond Epoxy Coating, Double Joint Fabrication
Exxon	150,000 ft. of 6" and 10" OD Fusion Bond Epoxy Coating, ID Flowliner & Blast, Buckle Arrestor Insertion,

Marshall/Madison	Anode and Anode Taper Installation and TSA coating
Exxon Mica	450,000 ft. of 8" and 12" OD Fusion Bond Epoxy Coating, ID Flowliner & Blast, Buckle Arrestor Insertion, Anode & Anode Taper Installation and TSA Coating
Exxon Yellow Hammer	1,000,000 ft. of 6", 8" and 10" OD Fusion Bond Epoxy Coating and Anode & Anode Taper Installation
Florida Gas	547,600 ft of 36" OD Fusion Bond Epoxy and Double Joint Fabrication
Fluor Daniels Engr Mariquito	163,000 ft. of 20" X65 Fusion Bond Epoxy Coating
Gulf South P/L	406,525 ft of 42" OD Fusion Bond Epoxy, ID Flowliner and Double Joint Fabrication
Gulf South P/L	279,983 ft of 42" OD Fusion Bond Epoxy, ID Flowliner and Double Joint Fabrication
Ilva/ CMS Energy	125,000 ft of Fusion Bond Epoxy and Double Joint Fabrication
Kinder Morgan	1,154,000 ft of 36" OD Fusion Bond Epoxy, ID Flowliner, Double Joint Fabrication
Koch	1,592,625 ft of Fusion Bond Epoxy and Concrete Weight Coating
Lakehead Pipeline	1,473,160 ft. of 20" X65 Fusion Bond Epoxy Coating
Leviathon Manta Ray	235,000 ft. of 14" OD Fusion Bond Epoxy Coating, Buckle Arrestor Insertion and Anode Installation
Marathon Arnold	88,000 ft. of 4" and 8" OD Fusion Bond Epoxy Reeled Pipeline Project
Marathon Ewing Bank #873	50,000 ft. of 8" OD Fusion Bond Epoxy
Marathon Oyster	100,000 ft of 6" and 10" Pipe-in-Pipe, Reeled Pipeline Project, OD Fusion Bond Epoxy Coating
Marathon Ship-Shoal	50,000' of 8-5/8" Reeled Pipeline Project OD Fusion Bond Epoxy Coating
Northern Natural Gas	146,100 ft of Fusion Bond Epoxy, ID Flow Liner and ARO Coating
Ocean Energy Zia	16 mile flowline of 5.563" .480w carrier pipe inside 10.75" x .438w casing pipe. OD Fusion Bond Epoxy, Multiple Joint Fabrication, Pipe-in-Pipe Insertion, Spray Applied PUF and Jacket. Reeled Pipeline Project.
Petrohawk	1,100,000 ft of Fusion Bond Epoxy Coating
Plains Marketing	499,685 ft. Fusion Bond Epoxy, ARO and Concrete Weight Coating
Reliant Energy	130,000 ft Fusion Bond Epoxy Coating
Sempra Energy	131,100 ft Fusion Bond Epoxy, ARO and ID Flowliner
Sempra Energy	202,100 ft Fusion Bond Epoxy, ID Flowliner and Concrete Weight Coating
Shell Amberjack	531,900 ft of 20" and 24" OD Fusion Bond Epoxy Coating

Shell Auger	951,100 ft. of 12", 14", 16" and 20" OD Fusion Bond Epoxy Coating, ID Flowliner & Blast, Quad Joint Fabrication, Buckle Arrestor Insertion, Anode and Anode Taper Installation Worlds 1st application of J-lay pipelay technology. Set Gulf of Mexico pipelay water depth record at time of construction.
Shell Auger III	111,700' of 12" FusionBond Epoxy Coating.
Shell Barracuda	370,000 ft. of 20" OD Fusion Bond Epoxy Coating, Buckle Arrestor Insertion, Anode and Anode Taper Installation
Shell Brutus	264,000 ft. of 20" OD Fusion Bond Epoxy Coating, ID Flowliner & Blast, 197 Welded Buckle Arrestors with Anodes, 140 Sleeve Type Buckle Arrestors and Concrete Weight Coating
Shell Bud	80,000 ft. of 4" OD Fusion Bond Epoxy Coating and ID Flowliner & Blast
Shell Bullwinkle to Boxer	45,000' of 16" OD Fusion Bond Epoxy Coating, Buckle Arrestor Insertion Completed in 1997 for Green Canyon 64, 65 and 109 at 1,353' water depth Worlds tallest fixed platform in 1998
Shell Cinnamon	78,000 ft. of 6" and 8" OD Fusion Bond Epoxy Coating Deepest Tripod Jacket in the World at Installation
Shell Cobia	239,000 ft. of 20" x .500 wall OD Fusion Bond Epoxy Coating, Buckle Arrestor Insertion, Anode and Anode Taper Installation
Shell Cognac	131,600' of 12" OD Fusion Bond Epoxy Coating
Shell Concha / Lou-Tex	1,400,000 ft. of 10" OD Fusion Bond Epoxy Coating
Shell Crosby	186,000' of 8" and 12" OD Fusion Bond Epoxy Coating, ID Flowliner & Blast, Quadruple Joint Fabrication, Buckle Arrestor Insertion, Anode & Anode Taper Installation, Polyurethane Foam Insulation and Jacket, Transition Joint Insulation, Insulation Half Shells for Offshore Field Joints, Pipe-in-Pipe Insertion
Shell E & P	236,000 ft of Fusion Bond Epoxy, Buckle Arrestor Insertion and Concrete Weight Coating
Shell E & P	236,000 ft of Fusion Bond Epoxy and Buckle Arrestor Insertion
Shell Enchilada	236,000 ft. of 30" x .688w OD Fusion Bond Epoxy Coating, Buckle Arrestor Insertion, Anode & Anode Taper Installation, Concrete Weight Coating
Shell Europa	356,000 ft. of 8" and 12" OD Fusion Bond Epoxy Coating, ID Flowliner & Blast, PIP, Bulkhead and SCR Quad Joint Fabrication, Buckle Arrestor Insertion, Anode & Anode Taper Installation, Polyurethane Foam Insulation and Jacket, Pipe-in-Pipe Insertion and SCR Fabrication.
Shell Habanero	Double 12 Mile Flowlines of 6.625" x .719 wall carrier pipe inside 10.75" .438 wall casing pipe OD Fusion Bond Epoxy Coating, Quadruple Joint Fabrication, Pipe-in-Pipe Insertion, Spray Applied PUF and PE Jacket
Shell Hickory	116,160 ft. of 20" OD Fusion Bond Epoxy Coating, Anode Installation and Concrete Weight Coating
Shell King	33,000 ft. of 5" OD Fusion Bond Epoxy Coating, Quad Joint Fabrication and application of C-THERM Cast-on-Pipe Epoxy Syntactic Foam Insulation. for Dual 3 Mile Flow Lines. First Major Subsea Piping System to be Insulated by the C-Therm Cast-on-Pipe Process
Shell Llano	12" & 8" Pipe-in-Pipe Subsea Flowlines connecting to Auger

Shell Macaroni	136,000 ft. of 6" and 136,000 ft. of 10" OD Fusion Bond Epoxy Coating, ID Flowliner & Blast, Multiple Joint Fabrication, Buckle Arrestor Insertion, Anode and Anode Taper Installation, Polyurethane Foam Insulation & Jacket, Pipe-in-Pipe Insertion and Insulation Half Shells for Offshore Field Joints. First Deepwater J-Lay Pipe-in-Pipe in the Gulf of Mexico
Shell Manatee	Twin 10 mile flowlines of 6.6256" x .625 wall carrier pipe inside 10.75" x .625 wall casing pipe. OD Fusion Bond Epoxy Coating, Multiple Joint Fabrication, Pipe-in-Pipe Insertion, Polyurethane Foam Insulation and Jacket
Shell Mensa	429,000 ft. of 6" and 12" OD Fusion Bond Epoxy Coating, ID Flowliner & Blast, Quad Joint Fabrication, Buckle Arrestor Insertion, and Anode & Anode Taper Installation for Reeled Pipeline Project Deepest subsea completion to date on the Gulf of Mexico (July 1998)
Shell Mars	OD Fusion Bond Epoxy Coating, Fabrication of 844 - 14" Quadruple Joints and 833 - 18" Quadruple Joints, Buckle Arrestor Insertion, Anode Installation. Set deepwater installation record at time of installation.
Shell Mississippi Canyon Gas Gathering System	236,000' of 30" x .562 wall OD Fusion Bond Epoxy Coating, Buckle Arrestor Insertion, and Anode Installation
Shell Odyssey	260,850 ft. of 16" OD Fusion Bond Epoxy Coating
Shell Oil	441,000 ft of Fusion Bond Epoxy, ARO and Concrete Weight Coating
Shell P/L	263,000 ft of Fusion Bond Epoxy and Buckle Arrestor Insertion
Shell Popeye	250,500 ft. of 6" OD Fusion Bond Epoxy Coating and ID Flowliner & Blast for Reeled Pipeline Project
Shell Ram Powell	231,000 ft. of 12" and 14" OD Fusion Bond Epoxy Coating and ID Flowliner & Blast, Quad Joint Fabrication, Buckle Arrestor Insertion, Anode and Anode Taper Installation This project surpassed the depth of Mars!
Shell Rocky	96,000 ft. of 3" and 6" OD Fusion Bond Epoxy Coating and ID Flowliner & Blast Pipe-in-Pipe for Reeled Pipeline Project
Shell Salsa	12" and 14" pipe OD Fusion bond Epoxy Coating
Shell Serrano and Oregano	165,000 ft. of 6" casing pipe and 10.75" carrier pipe OD Fusion Bond Epoxy Coating, ID Flowliner and Blast, Multiple Joint Fabrication, Buckle Arrestor Insertion, Anode and Anode Taper Installation, Polyurethane Foam Insulation and Jacket, Pipe-in-Pipe Insertion and SCR Fabrication.
Shell Tahoe II	375,340 ft. of 4", 6" and 8" OD Fusion Bond Epoxy Coating and ID Flowliner & Blast Reeled Pipeline Project
Shell Ursa	491,000 ft. of 18" and 20" OD Fusion Bond Epoxy Coating, ID Flowliner & Blast, Quad Joint Fabrication, Buckle Arrestor Insertion, Anode & Anode Taper Installation and SCR Quad Fabrication
Spinnaker	44,000 ft of 12" OD Fusion Bond Epoxy and 1.50" of 165# Concrete Weight Coating
Stupp / Anadarko	260,000 ft of Fusion Bond Epoxy and ID Flowliner Coating
Stupp / CenterPoint	124,850 ft of Fusion Bond Epoxy and ARO Coating
Stupp / Denbury	1,759,000 ft of Fusion Bond Epoxy Coating
Stupp / El Paso	925,280 ft of Fusion Bond Epoxy, ARO and Concrete Weight Coating

Stupp / Sonoco	126,720 ft of Fusion Bond Epoxy Coating
Stupp / Sonoco	300,000 ft of Fusion Bond Epoxy Coating
Tenaris / El Paso	305,900 ft of Fusion Bond Epoxy and Double Joint Fabrication
Tennessee Gas Pipeline Viasca Knoll Gas Gathering	132,000 ft. of 20" OD Fusion Bond Epoxy Coating
Texaco	216,500 ft of Fusion Bond Epoxy Coating
Texaco British Gas Trinidad	216,500' of 24" OD Fusion Bond Epoxy Coating
Texaco Discovery	828,000 ft. of 18", 20", 24" and 30" OD Fusion Bond Epoxy Coating Deepest 30" pipeline and riser in Gulf of Mexico at time of installation!
Texaco Petronius	260,950 ft. of 16" OD Fusion Bond Epoxy Coating
Texas Gas	962,000 ft of Fusion Bond Epoxy, ID Flowliner and Double Joint Fabrication
Total Fina Elf Canyon Express	616,520 ft of 12" and 17,800 ft of 6" OD Fusion Bond Epoxy Coating, Buckle Arrestor Insertion and Multiple Joint Fabrication
TransCanada Express Pipeline	1,599,416 (302 miles) of 24" OD Fusion Bond Epoxy Coating
TransCanada Merida Project	875,440 ft. of 22" and 656,000 ft. of 24" OD Fusion Bond Epoxy
TransCanada P/L	272,634 ft of Fusion Bond Epoxy and Double Joint Fabrication
TransCanada P/L	2,269,105 ft of Fusion Bond Epoxy and Double Joint Fabrication
TransCanada P/L	249,350 ft of Fusion Bond Epoxy Coating
TransCanada P/L	800,000 ft of Fusion Bond Epoxy and Double Joint Fabrication
TransCanada Tuscarora Pipeline	225,000 ft. of 20" OD Fusion Bond Epoxy Coating
TransColorado Pipeline	1,379,160 ft. of 22" and 90,744 ft. of 24" OD Fusion Bond Epoxy Coating
Universal Ensco	422,000 ft of Fusion Bond Epoxy Coating
Williams Field Services	6,800 ft. of 20" and 2,500 ft. of 18" and 132,000 ft of 12" OD Fusion Bond Epoxy Coating and Concrete Weight Coating
Williams Mountaineer	267,000 ft of 20" OD Fusion Bond Epoxy Coating and Concrete Weight Coating
