

*Bayou has reached two years
and one million man hours
without a single lost time
incident.*

Safety

Policy Statement

"The Bayou Companies strive to continually improve workplace safety and operations in order to provide quality products and services in an environmentally friendly manner."

Bayou Companies is committed to a zero incident safety culture. We have pledged to "target zero" where no incident is acceptable. Our team engages in leading indicator measurement to predict and eliminate the next incident from happening. We also focus heavily on training, and that has yielded results below National Industry benchmarks as we strive for world class execution.
